

TARISA'S PANDEMY LIFE

ABOUT ME

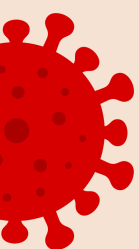

Everyone calls me Tarisa or whatever they want, my age is 19 years old. I live in Ponorogo. I have one brother, his name is Reifan. My brother has brown skin. I am a student at STMIK AKAKOM Yogyakarta. I like Korean Drama, hiking, and eating. My favorite food is Seblak. I have a crush, I hope my friends can pray for me so my crush can accept my heart. My hope in the future is to have a dream job, have a home in one of the islands in Indonesia, and do not harm others. I like to be friends with you all.

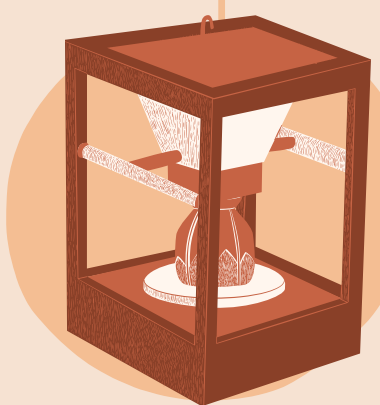

DAILY ACTIVITIES

I want to told you about my daily activities before pandemic. I usually Awoke at 5 am. After that, I take a shower at around 6. I have breakfasted with rice and side dishes at 7 am and then go to collage at 8 alone. After pandemic, I can not go to campus, so I just take a shower 1 time a day. And after wake up I always turn on my laptop because online school.

QUOTES

The best way to predict the future is to create it. “Abraham Lincoln”

The future is ours. So whether we are good or bad in the future depends on what we create now. These quotes give me the spirit to have a bright future, start the future, and fix the mistakes that happened in the past.
